

2011 Federal Tax Credits for Metal Roofs

Install a new DCSM Metal Roof and get your Tax Credit!

Tax Credit for Energy Efficiency

Qualified roof products reflect more of the sun's rays, which can lower roof surface temperature by up to 100F, decreasing the amount of heat transferred into your home.

The Federal government is offering a tax credit of up to **\$500** when you install a new metal roof this year.

REQUIREMENTS:

- **Metal roofs** with appropriate pigmented coatings and asphalt roofs with appropriate cooling granules that also meet ENERGY STAR requirements
- Must be an existing home and your primary residence
- New construction and rentals do not apply
- Tax Credit does not include installation costs
- 10% of cost up to \$500 or a specific amount from \$50 - \$300
- Offer Expires December, 31, 2011

If you have been thinking about getting a new metal roof, now is a good time.

Contact DCSM today to discuss the details and get your 2011 tax credit. The process is easy, we will show you how.

Save up to \$500 on your taxes with a new Metal Roof System from DCSM.
